ABOUT US

OEA is a limited liability company based in Jakarta, Indonesia. Established in 2013, OEA has rapidly become one of the fastest growing supplying platform for its distributions worldwide.

OEA provides various categories of products and services, focusing in pharmaceuticals, medical devises, nutraceuticals, skin cares, and veterinary. Our cornerstone is built on enduring customer relationships

Our global team has extensive experience in Europe and Southeast Asia. With great enthusiasm, passion, and professionalism, we devote in source for our distributors, and be sourced by new and potential manufacturers

OEA expands global markets for manufactures, opens new markets to targeted countries, breaks territory borders to spread their product portfolios. OEA accelerates the realization of new products for their regional distributors with supreme quality that meet the respective country's strict regulatory standards.

**WE ASPIRE TO LEAD THE WAY
IN MEDICAL EXCELLENCE.
A UNITY OF PASSION AND
PROFESSIONALISM FOR LIFE.**

COMPANY VALUES

Great things in business are never done by one person. They're done by a team of people

3

OEA is an import and export trading company that helps local and international manufacturer companies market their products through the distribution network of our clients in different countries and continents, for products related to human and pet health. Starting from diagnostic products, preventive, curative, treatment to special treatment such as injection drugs that are not owned by other trading companies.

► CUSTOMER DRIVEN EXCELLENT

We strive to understand our customer's need. We create value to our customer so they can best serve theirs.

► INTEGRITY

We will pursue honesty and fairness in all our activities. We always do the right thing.

► PARTNERSHIP

We act as responsible partners with all our stakeholders and regulators and in service the wider interest of society. We focus on forging strong and ever lasting relationship with our client as our fundamental business strategy. We cement these relationship by providing superior value our clients and by continuously improving our performances.

► VALUE PEOPLE AND COLLABORATION

We will treat all people with courtesy, dignity and respect. Listen and learn with open mind. Collaborate beyond organizational boundaries.

COMPANY HISTORY

Incorporation with years of experience in pharmaceutical industry, with unity of vision and passion to contribute and to progress, by combining different yet same level of Taiwan and Indonesian professionalism, PT. Oska Elang Abadi (OEA) was jointly established in 2013.

4

Oska Elang Abadi is derived from combination of names of its founders, Elang is a symbolic eagle flying high, and Abadi is eternal ; a state that is still and will always exist. OEA has a philosophy as an eternal high-flying eagle that can withstand many obstacles and continue to fly high.

In the course of the formation of this company joined multiple professionals in the field of pharmaceutical, regulatory affair, and international tax law.

OEA with its ideals is committed to help market products from clients and suppliers to and from all countries without any country boundaries. OEA is determined to make the world become flat for the products it markets.
